Phantoms Volleyball Club are encouraging all playing member as well as those family or community supporters who have not been materially affected by the COVID-19 crisis to support the club by taking out an Associate Membership for 2020. Your \$50 will go towards costs already incurred for the 2020 season including court hire for trials and training (\$1,000), team entries into Warrnambool Seaside Tournament (\$3,800) and new Club uniforms (\$3,500). The purchase of this membership will entitle you to receive a three year membership of Bendigo Stadium, providing access to discounted food and beverage along with ensuring that the Club maintains it's strong financial position going into 2021. The Club aims to sign up at least 100 Associate Members in 2020.

\*Should the VVL season eventual be conducted in some form, the \$50 Associate Membership will be taken off the cost of your playinbg membership so players will pay only one type of membership for the year.

*Please ensure you have completed your Care Monkey profile with your full medical details. It is a requirement of the club to have this complete before you can take the court and if it is completed now, it will mean you can take the court anytime in the future.*

We are also encouraging all members to pay their 2020 VVI Registration fees (which are additional to your Phantoms Membership). This payment is important in ensuring that Volleyball Victoria maintain a cash flow throughout this period and ensure they can maintain operations throughout this difficult time and provide services once restrictions are lifted. These must be paid prior to you resuming any form of competition either locally or for Phantoms (members should at least have a VV Social Membership so they can play local competition when it resumres) by logging onto [www.volleyballvictoria.org.au/2020-membership-registrations/](http://www.volleyballvictoria.org.au/2020-membership-registrations/)
